Mrs. Mary DeMarco,
Box 27,
Helper, Utah.

Dear Madam:

RE: PRICE DIST.

I have your letter of Aug. 1 and beg to say that I would be very glad to send an assistant down to Spring Canyon if it would settle the matter.

I have been in close touch with this situation for two years and have not yet been advised of any method of settlement involving only one trip. As I understand the situation, immediately after any order has been given the trouble breaks out at once and, if this is so, it means someone on the ground all the time in the capacity of a watchman.

I shall be glad to have the matter investigated to see if there is any possible way of requiring the water, to which the Elegantis have a right, conveyed separately from the water of the creek.

Yours very truly,

State Engineer.
